Marching Band Viper Shoes

The Directors Showcase Viper is the only shoe of its kind. Its twin sole design is specifically suited for marching band, and percussion performances. These are the shoes that you will wear with your band marching uniform. They need to fit like your sneakers do, with an extra "thumb" for growing. All band students need one pair. If you've worn a hole in the bottom or sides of the shoes, you need to consider getting a new pair. Shoes come in MEDIUM or WIDE. Above size 13 only comes in WIDE.
